**Subject:** MF Fire Catalyst Application for U.S. EPA Wood Heater Certification  
**Attachments:** 0552WS001E - Certificate - 11.3.16.pdf; MFFire\_EPA\_Application.pdf

To whom it may concern,

Attached please find our application for U.S. EPA Wood Heater Certification for MF Fire's first wood stove, Catalyst as well as OMNI-Test Laboratories' issued certificate of conformity.

Both of these documents, as well as the CBI and Non-CBI certification test reports, may be found here: 

Thank you for your consideration.

All the best,  
Taylor Myers  
CTO, MF Fire
